## ALLIAANCE BIOTECH

Name of Participant : Shishir Gupta  
 Designation : Managing Director  
 Mobile : +91 9816666205  
 Email : shishir.gupta@alliaancebiotech.com  
 Office Address : SCO-84, 2nd Floor, Sector-5, Swastik Vihar, Mansa Devi Complex, Panchkula, India.

Product Profile : Formulations  
 Quality Approvals : WHO-GMP  
 HS Codes of Major Products : 300490  
 Presence in Latam Countries : No

### BRIEF PROFILE OF THE ORGANIZATION:

Alliaance Biotech is one of the few companies across the globe which caters a wide range of human general preparations.

We emphatically say -- Alliaance Biotech, caters to a wide range of Human (General Category) and Veterinary segments and manufacturing Tablets/Bolus, Tablets Hormones, Capsules, Dry Injections, Liquid Injections, Syrup/Suspensions in our state of the art facility. Alliaance Biotech is accredited with WHO, c-GMP, GLP and ISO certifications.

Alliaance Biotech was incepted in 2006 and has maintained its benign presence ever since. Alliaance Biotech has been mainly exporting to the African Continent to countries like Ghana, Nigeria, DR Congo, Cambodia, Uzbekistan, South Sudan, Cameroon, Sierra Leone, Spain, Afghanistan, Iran and Yemen as of now and is in process of NAFDAC-GMP and Philippines-GMP. Alliaance Biotech is also a proud supplier to state governments of Uttar Pradesh, Haryana, Rajasthan, West Bengal, Madhya Pradesh and central government in ESI and DGAFMS for both human and veterinary segments through corporation tenders.

Alliaance Biotech started its manufacturing unit in the tax free industrial zone of Himachal Pradesh at 'Baddi'. The company is well equipped with the latest technology. Our plant is in the area of 4000 square meters, with 70 % covered area and two separate blocks (Tab/Cap/Liquid and SVP (General) and triple story with our own Q.C. lab facilities and Microbiological lab, helps to accomplish our commitments as per the timelines. We are interested in developing the business for our Human (General and Hormonal Category) and Veterinary segments.

#### Product Manufacturing Profile

PRE-FILLED SYRINGES (General Category), LIQUID INJECTIONS (General, Critical Care, Hormones, Veterinary Category), TABLETS (Hormones, General Category), CAPSULES (General Category), DRY INJECTIONS (General Category & Cephalosporins Category), ORAL LIQUID SYRUPS/SUSPENSIONS (General Category)

As we cater to a wide range of products, we would be highly obliged to join hands with your esteemed organization for future business and we would appreciate it if you can kindly send your requirements. Also, our small presentation to define us more is duly attached for your kind reference.

### BRIEF PROFILE OF THE ORGANIZATION:

We would like to take this opportunity and introduce ourselves as Maatr Healthcare Private Limited, the New-Age Pharmaceutical & Healthcare Company based in India, with presence in domestic as well as in the export market. We are currently exporting to Uzbekistan(CIS Region) and are looking to expand our reach in the nearby regions. Our goal is to become the "single-stop destination"™ worldwide for buyers looking for a basket of pharmaceutical products. With this aim in mind, we are writing to you to discuss different business opportunities to explore with an aim to reach a wider customer base. We wanted to connect with you to determine the possibilities of working with your prestigious organisation.

We specialise in Pharmaceutical Products, Ayurveda products and Cosmetics. We are certified with ISO 9001:2015 Quality Management System and are associated with PHARMEXCIL(Pharmaceuticals Export Council of India) and FIEO(The Federation of Indian Export Organisations). All our products are manufactured in state-of-the art facilities which are accredited with all the necessary certifications like WHO-GMP.

As a newly established company, we are highly motivated and driven to achieve our goal of becoming the best in the business. What distinguishes us from other players in the market are our ethics and ideologies of working together with relevant stakeholders to bring a change in our community at large. We believe in partnering for the long-term and as a team we ensure that our partners are able to benefit from our strengths- both in pricing & quality.

### BRIEF PROFILE OF THE ORGANIZATION:

Nosch Labs is a Manufacturer of Active Pharmaceutical Ingredients and Semi-Finishedformulations (Pellets) with cGMP, WHO GMP, and EU GMP Certification based in Hyderabad. Catering to various markets spread across the world since 2001.

Nosch's Manufacturing operations span across 4 units in the South Indian state of Telangana. While two are dedicated API units, the other two are for Semi-Finished Formulations / Pellets. The plants are built and operated in conformance with the latest cGMP norms, house R&D labs, technical services, quality control, quality assurance, and regulatory affairs, and are regularly inspected and approved by major customers and regulatory agencies across the world.

The state-of-the-art equipment and instruments provide us with the necessary competitive edge on the global stage. Moreover, the infrastructure with its optimum installed capacities and capital costs lends us a sustainable cost advantage.

All the products are supported by DMF in CTD format and especially hold CEP/COS for many of the products being manufactured.
